**DEFENDANTS ECOMETAL, INC. AND NICK YUAN'S
REQUEST FOR CLARIFICATION ON PRELIMINARY
INJUNCTION PROCEEDINGS AND BRIEFING ON SUPPLEMENT**

Pursuant to the status conference conducted on October 1, 2020, Defendants Ecometal, Inc. and Nick Yuan (collectively "Ecometal"), request clarification on the preliminary injunction proceeding and briefing schedule on Plaintiff's supplement to their motion for preliminary injunction.

Terves filed a motion for preliminary injunction on April 30 [Dkt. No. 29], and filed a corrected version thereof on May 1, 2020 [Dkt. No. 301]. Although Terves's original complaint alleged infringement of U.S. Patent Nos. 9,903,010 and 10,329,653, its PI Motion was solely based on Ecometal's alleged infringement of 10 claims (2 independent and 8 dependent claims) of the '653 Patent. As the disputed claim terms contained in the claims asserted in the original PI Motion from the '653 patent were already the subject of the parties' claim construction briefing due to be
